MAN KILLED .- A colored man named Henry Gilbert met with his death at Agnew's coal dock this morning under the following circumstances: The steam hoisting apparatus was at work transferring coal from a canal boat to the schooner Eurl P. Mason, when an eye bolt which held up the derrick broke off owing to a flaw in the iron, and the derrick fell to the floor of the upper platform. The empty coal bucket becoming detached from the hook fell to the wharf below, striking Gilbert on top of the head, and falling into the dock Gilbert, at the time he was struck, was crossing from the canal boat to the wharf on a plank directly beneath the hoisting apparatus. Upon being struck he fell into the dock and sunk. His body was after some difficulty recovered. The top of his skull was crushed in and his death must have been instantaneous. Gilbert was about filty years of age and leaves a wife and five small children, who live near Colross. No blame can be attached to any one connected with the yard as Mr. Milstead, the foreman, had carefully ex amined the derrick this morning, as is his custom, and found it in seemingly good order. The defect in the iron was so located as not to be apparent on the outside.

ACCIDENTS .- Mr. Charles Adam, son of Dr. T. I. Adam, while stepping from a car to the platform at the Midland depot, yesterday, had a slight attack of verugo, and missing his footing fell to the ground, badly cutting his head and rendering him insensible for several min utes. He was removed 'to his father's residence, where he speedily recovered, experienc ing no fu ther harm than a bruised head.

About nine o'clock last night a colored man named Dave Lomax was harding a pistol in a greecry stere opposite the W. & O. depot, when it was accidentally di-charged, and the ball passing through the open door struck Mr. Robert Tomlin, the watchman at the depot, who was standing on the pavement, on the right leg, near the knee, inflicting a slight fl sh wound. Lomax was arrested and brought to the station house, but, on examination before Justice May this morning, it appeared that the shooting was purely accidental and he was dis charged.

POLICE REPORT -The following cases have been tri d since last report:

Lucy Johnson, colored, for disorderly conduct, was discharged for want of evidence. Sextus Wright and Henry Thomas, both colored, for breaking the window glass at S. Lindheimer's store, were fined and discharged. Dave Lomax, colored, for shooting Robert Tomlin, was discharged, as the evidence proved the shooting to have been accidental.

Three lodgers were accommodated at the

station house last night. · CITY SCHOOL BOARD. - At fifteen minutes to eight last night there were present the Superintendent of Schools and Messrs. McKenzie, Whittington and Whittlesey; whereupon, on motion of Mr. McKenzie, the Board ad journed to meet on Thursday evening nax. A few minutes afterwards the Chairman and Messis. Addison, W. F. Carne and Neale came in, but as the Board had been formally adjourned, a meeting could not be held

THE FISHERMEN'S WAR. In the Charles County Court, at Port Tobacco, on Thursday, in the case of the State vs. Geo. W. Carpenter, indicted for assault with intent to kill Capts. Gregg and Denty, on application of J. H. Mitchell for defendant, these cases were continued until November term, Carpenter being recognized in the sum of \$500 for his appearance and also required to give security to keep the peace in the meantime in the sum of \$1.000.

The Washington corespondent of the Baltimore Sun says in his letter of yesterday :-This morning Capt. Sprat zy, who was called, with his tugboat, to the assistance of Captain Carpenter, of the Maryland fishery police, during the recent "fishermen's war" on the Potomac, left here for Port Tobacco, Md., where he entered into bond to appear and answer all charges preferred against him. This will render unnecessary the issue of a requisition for the arrest of Capt Spranzy here and his rendition to Maryland, for which it is understood application has been made to Governor Carroll.

ACCIDENTAL .- Reference was made in yesterday's Gaz tie to the acquittal of Robert Smith, of this city, of the charge of killing T. J. Warren, in Charles county, Md. The Port Tobacco Times says that the evidence in this case all pointed to the killing of the deceased by the accidental discharge of a gue in his own hands and with which he was beating the de-

FIRE. - The alarm of fire about half-past three o'clock this evening was caused by the burning of the roof of the engine house at Agnew's coal wharf The fire department was promptly on the ground, but the flames were extinguished without their assistance.

LOCAL BREVITIES.

Mr. Wm. Hamilton, who was at work on the hew schooner at the ship-yard, fell from her deck to the bottom of the vessel this morning and cut his head very s verely. He was rendered unconscious by the fall but recovered sufficiently to walk to his home where his wounds were dressed.

The Maryland Coal Company, which stopped shipments by canal on Wednesday week, on account of the break, resumed the same on Saturday. The New Central Company, which also stopped shipping by caual at the same time, resumed shipments Thurday.

The Warren Sentinel, says: Such is the accumulation of tan-bark at this depot of the Virginia Midland Railroad, that on Wednesday morning an extra freight train of tw lve cars went off load d with it. The regular freight trains daily earry a large quantity.

In addition to Captain Jerry Robb, Captains Wesley Davis, William Davis and William Wir dsor, all Potomac fishermen, will accompany Mr. G. W. Harrison to his Lake Michigan fishing post.
